One Write Plus 8 0 Speed

One Write Plus 8 0 Speed

I just can't seem to locate them I need to get this program functional again as soon as possible.. This program is running on Windows XP professional I am looking forward to an answer as soon as possible.. Plus 8 RecordsWin3X/9X/NT4/2K SpecsAs soon as I hit the tab 'Enter Purchases and Payments', the program freezes up and the error message I get is 'Error occurred at line 1157, in file purchjnl.
